## Infinity ward patch notes

Free up space! Need to prepare your hard drive storage for Black Ops: Cold War and Warzone updates? Check out these helpful tips on how you can uninstall content from game options. Click here to learn how! PLAYLIST UPDATES: MODERN WAR: Gunfight TDM Snipers Only Hardpoint Hills and Kills Shipment 24/7 Shoot House 24/7 WARZONE: BR Solos, Duos, Trios, Quads Plunder Trios PRIVATE WARZONE We are thrilled to release a beta version of Warzone private games! This requires several player counts to start the match and we have three modes available: BR - 50 players needed to get started (it also has squad variations) Plunder - 30 players needed to get started (it also has squad variations) Mini BR - 24 players required Please share any bugs you find along with your feedback! GENERAL FIXES: Fixed an issue where, when reviving a fallen teammate when the round ends in Survival, Users may get stuck in third person Fixed an issue where some players saw the error code: HK:s.373408m-54293536:10635584 Bug Operator Challenge Fix where players cannot complete the first goal in the mission from Gaz's Season 4 Operator Pack win 3 Gulag fights as Gaz Fix for an issue where the challenges of 90 - 100 officers have been restored after completion, preventing players from being given the last emblem of Season 6 in the SP Safehouse Final , at killstreak Chopper's checkpoint, when using the zoom button, the camera will zoom in and out using the Juggernaut will not hear the drilling audio when hit by The Phlebotomizer launch knife. This fixed an issue where the player could have Spotter's Scope effect when not purchased with it collecting 2 weapons while watching with the range Fixed an issue where helicopters could spin and float in the air after progressing in Survival Corrections to help prevent players from going to AFK in Gunfight LMG, Sniper rifles, and Marksman rifles will now rotate as in Gunfight Fix for an issue where players who die just before a headquarters is deactivated and see how the full kill camera does not appear as intended WEAPONS: M4 Tombstone : Fixed an issue in which to add the .458 SOCOM or The Mags from 9 mm to 32-Round removes them from the Trace Packr weapon model: Sakura Edition- Maruyama - The dynamic icon appears to have a small space between the gun and the weapon body when the Compensator is equipped in the FTAC 13.5 compact gun. This has been fixed pc: To help with patch sizes and space in High-resolution textures will now be downloaded during playback, using On-Demand Textures Streaming: On-Demand Textures Streaming is in options, on the Graphics tab, and in the Details and Textures section. It will only be launched for users who play with Texture Resolution set to High. Transmit textures for Operators and Weapons. You can control the daily texture streaming limit and the size of your cache You can learn more about Texture Streaming HERE Fix for an error where a Premium user with only Warzone Warzone you can select a test on an MP map, which can result in a crash fix for a bug where PC players were able to select custom equipment in Snipers Only Fixes for an issue where some Activision account names were being applied to different profiles in the Survival Mode friends list now has their own dlc package. To access Survival, a player has to install both Special Operations and WARZONE Survival: Corrections to help fight gun corruption, while in Spectator mode Gas from the gas grenade can sometimes completely hide or hide players from thermal ranges Fixed an exploitation near the Lozoff Pass Armored Royale metro station: Fixed an issue in which to drop a redistribution flare Truck at subway service entrance can cause the truck to parachute while underground in Plunder, Players' parachutes will now be automatically deployed to help prevent Fix exploits for an exploit with durable gas mask Fixed an audio error in which no overheating audio is played when using the machine gun in the helicopter When the player is using Ping bumper such as its button design, the player will not be able to switch between the gas grenade and the EMP explosion, resulting in them only using the gas grenade. This has been corrected when you sit in the passenger seat of a helicopter and using the machine gun, baiting a lethal while simultaneously changing seats will break players' vision model. This fixed Fix for an issue where players can't equip other war tracks after selecting Random Removed Juggernauts from Bunker puzzles PLAYLIST: MODERN WARFARE: Boots on the Ground War Blueprint Gunfight Face Off SnD Double Down Realism Gun Game GENERAL FIXES: Fix for a bug on Hackney Yard that could prevent Minotaur from performing an Performing an Performing an Performing an Performing an Ingotao Execution Fixed an issue where some players could not get a Nuke after getting the correct number of death corrections to help the Wheelsons climb multiple terrain Fixed an issue where the 'Revive' message while playing Cyber Attack was inconsistently appearing WEAPONS : Fennec: Increased ISO damage range: Increased damage range Looking for Call of Duty: Warzone patch notes? Click here To get more news and patch notes for Call of Duty: Warzone and Call of Duty: Black Ops Cold War, be sure to follow @Treyarch and @Ravensoftware GENERAL: Fixed an issue where players could survive in gas while remaining in the WEAPONS subway's fast travel system: VAL: Fixed an issue that caused SSP 10-R mags to allow bullet penetration across multiple SP-R 208 walls: Increase to flite Reduced to ADS speed Variable zoom range Bring the weapon closer to the player while ADSing Small reduction to the speed of ADS .300 Norma mag and .338 Types of Ammunition Lapua Mag : Bullet speed reduction Reduced to ADS SKS speed: Small reduction in ADS speed for variable zoom scopes New in this update, PC players can now select which content they would like to install on their machines. Instructions on how to install specific content below! Before removing installed content, make sure Call of Duty: Modern Modern game is not running, and the game is not being updated. 1. Open the Battle.net. 2. Select Call of Duty: Modern Warfare in the left pane. 3. Select the Options menu at the top left of the Battle.net. 4. Select Modify Installation to open the installation pop-up window. 5. Under Game Content, select Modify Installation. 6. Uncheck the content you want to uninstall. (Warzone cannot be uninstalled.) Campaign Multiplayer Special Operations 7. Select Confirm. 8. Select Start Installation. Note: You cannot modify the content installed during the upgrade. If your game isn't up-to-date before you change the content selection, the size estimates won't be accurate. Are you on your console and want to free up space on your hard drive? Click here. February 26, 2020 General Fixes: Players who see a rank reset request screen after yesterday's Update Regiment Corrections invite Fix for Quick Fix advantage does not work as intended while used as a Perk Fix specialist for killstreaks still running on CDL playlists on February 19 , 2020 GENERAL CORRECTS: Correction of regimental tags that do not appear as Fix is intended for players who receive the Jockworth error while gunfight tournaments fix an issue where the numbers on the list of teams and numbers on the COD Caster minimap did not correspond to Pointman: Correction for an issue where Killchain scores were given for Killstreaks' death without Having Killchain equipped Fix for a CDL Gunsmith explode February 14, 2020 GENERAL FIXES Fix for a bug that allowed players to use attachments not yet won Exploit fixes on various maps and modes Fixed an issue that leaves a CDL filter of players active after they have joined a group without CDL filters Back-end Solutions December 11 , 2019 General Fixes Fix Update for the R9-0 Smoothebore does not appear correctly in the game Fix for the Smooth Dominator notor Appears correctly in the game Fix for the Heat Cycle weapon does not appear correctly in the Fix game for an error where equipping the LMG Old Wounds could cause an error, Kick players out of the Operator Challenge Descriptions menu have been updated to indicate that a specific operator must be equipped in order to complete the challenge if you reach a new rank while in the middle of a game and perform the criteria to complete a challenge you just unlocked, progress wouldn't show up in the UI until you've entered a new game. We've done some backend work to help improve this. Arrangement for Objective 2 of the Mara Operator Mission showing a name for 'Desert Work' position for the Fix reward for Wyatt's calling card that appears with incorrect rarity correction for Cluster Strike missiles that jams on undated surfaces and loop audio the rest of the Fix match for special operations exploits: Survival December 10, 2019 Update What's New: Gunfight: OSP (Replace Gunfight) Infected (Replace Reinforcement) New Ground War Map, Aniyah Palace Hardcore Additions: FFA NVG Moshpit (TDM, Kill Confirmed, Headquarters, Domination) Shoot House 24/7 24/7 Kill Confirmed, Headquarters, Domination) December 6, 2019 Update WHAT'S NEW: Shoot House 24/7 is back! (replaces Crash 24/7) Removed Night Maps from Hardcore Modes Added to Docks back to the rotation of the Graznia Raid and Arklov Peak Fire Map to Hardcore TDM Added Arklov Peak to Hardcore Headquarters GENERAL FIXES: When attempting to view weapon details from a weapon on the Missions tab, players will be returned to the main menu.
